Dear Ms. Rotheimer:

Thank you for forwarding my office correspondence on Jasmine's Law, and having the courage to discuss the grave circumstances surrounding the measure. Both your letter and the Daily Herald article clearly define what laws must be enhanced to better safeguard our innocent from sexual predators.

Informed citizens, like you, are powerful instruments of change in state government and truly make a difference in the outcome of many policy proposals. Your personal story and unyielding advocacy of House Bill 4764 will be shared with fellow House Republican members.

I strongly encourage your continued communication with my office on this piece of legislation and other policy issues affecting you, your family or community. Please do not hesitate to contact me at 815/254-0000 or by e-mail at [tom@tomcross.com](mailto:tom@tomcross.com).

Once again, thank you for contacting my office on this matter.

Sincerely,

A handwritten signature in black ink, appearing to be "Tom Cross".
